RMC - Research Methodology Course (PPS10203)
Assignment Marking Form

Student's Name:
Matric Number:
Evaluator's name:

CLO 2 (40%) Integrate good written communication skills in preparing a research proposal based on appropriate academic writing (A4,MQF3c)
CLO 3 (20%) Demonstrate ethics and professionalism in scientific research (A3,MQF5)

Written communication (CLO 2)						
Criteria	**Marking Criteria**					**Marks**
	Very weak	**Weak**	**Satisfactory**	**Good**	**Excellent**	
	0 - 1 MARK	**2 -3 MARKS**	**4 - 5 MARKS**	**6 - 8 MARKS**	**9 - 10 MARKS**	
Organisation and coherence of proposal writing	Proposal components are incomplete and lack logical flow.	Components presented with limited organisation and weak linkage.	Components generally organised but coherence requires improvement.	Components organised logically with clear flow between sections.	Proposal demonstrates highly coherent and professionally structured academic writing.	
Clarity and alignment of research components **Evaluate:** **1. Title** **2. Problem statement** **3. Objectives** **4. Methodology**	Components are unclear, inconsistent and poorly aligned.	Components demonstrate limited alignment and require substantial clarification.	Components show moderate alignment but some inconsistencies remain.	Components are clearly written and demonstrate logical alignment.	Components are exceptionally clear, focused and demonstrate excellent alignment throughout the proposal.	
Use of literature to support academic writing **Evaluate:** **1. Relevance** **2. Integration** **3. Academic discussion**	Literature is absent, irrelevant or unrelated to the proposed study.	Limited literature is used with minimal integration into discussion.	Literature is generally relevant but discussion remains descriptive.	Relevant literature is integrated appropriately to support academic arguments.	Literature is critically selected, synthesised and effectively supports academic discussion and proposal justification.	

Ethics and Professionalism (CLO 3)						
Criteria	**Marking Criteria**					**Marks**
	Very weak	**Weak**	**Satisfactory**	**Good**	**Excellent**	
	0 - 1 MARK	**2 -3 MARKS**	**4 - 5 MARKS**	**6 - 8 MARKS**	**9 - 10 MARKS**	
Academic integrity and citation practice	Significant citation errors and poor academic integrity practices are evident.	Referencing is inconsistent and citation practice requires substantial improvement.	Citation and referencing are generally acceptable with several inaccuracies.	Citation and referencing are applied appropriately and consistently.	Demonstrates excellent academic integrity with accurate and professional citation practice.	
Professional academic practice and ethical awareness	Proposal lacks professionalism and demonstrates minimal ethical awareness.	Proposal is inconsistent and ethical considerations are insufficient.	Proposal is acceptable with basic ethical awareness.	Proposal is professionally presented with appropriate ethical consideration.	Proposal demonstrates excellent professionalism and strong awareness of ethical research practice.
